**Historic Hope Foundation  
Roanoke-Chowan Heritage Center  
132 Hope House Road  
Windsor, NC 27983**

The Historic Hope Foundation and the Friends of Hope invite you to attend a presentation by Cheryl Frankum of her findings from the archaeological dig at Historic Hope in July 2023.

Cheryl has 16+ years' experience as a field archaeologist in investigations throughout the country. She donated a month of her time to lead the excavation of an area on the west side of the mansion, near the two chimneys. Come find out what Cheryl uncovered!
